

ART FIBREGLASS

HOME DECOR 19

ART FIBREGLASS SDN BHD

Our company, ART FIBREGLASS SDN BHD was established on 1992. Our Headquarter is located in Simpang Renggam, Johor while our factory is located in Machap.

We are mainly focus on producing the home decoration to fulfil customer's needs and wants. The competitive advantages of our products are durable and price is affordable for all range level of customers.

Since establishment, ART FIBREGLASS SDN BHD is persistence to enhance the product quality and enrich with new innovation on products and services. Our mission is to maintain customer loyalty and confidence towards our company. We used to listen and observe customer's needs and wants to enhance the customer's satisfaction on our products and services.

The core value of the company is not only to serve customer, but also concern for our mother earth. In 2019, we have launched a new series of door to replace the wooden material doors which is more environmental protection and prevent the environment pollution.

Our company has the confidence to accept the unknown challenges in the future because we knew all the challenges are leading our company into a succeed pathway. As our director said, "Bring the ART into your life, to have a better future".

BU 20 DURABLE TESTING

Our roller operates as normal
after **40,000** cycles and
endurance weight **30KG**

Instructions replaced **HEAVY DUTY UNIQUE HANGING BI-FOLD DOOR ROLLER**

Removed rubber from the outer frame and you will see the screw on part that show by arrow.

Open the cover of outer frame as shown as above.

Removed the screw out of the outer frame.

Take out the inner frame door like shown in the picture and removed heavy duty roller screw of the side you want to change it. Now you can replaced the heavy duty roller easily.

ART 130 WALL TO WALL SERIES

WALL TO WALL FEATURES

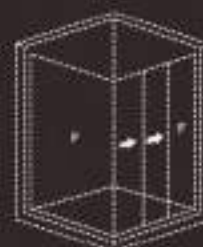

Enjoy the luxury of space the front entry series turn an unused cubicle into an ample shower area.

ART 131 CONVENTIONAL SERIES

CONVENTIONAL FEATURES

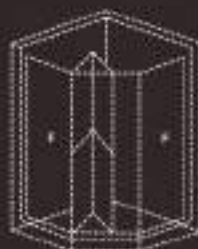

The classic shower enclosure reflects the basic features of the modern bathroom. It is designed with a combination of a front entry and a fix return panel to be installed at the corner of the bathroom.

ART 133 BI-FOLDING SERIES

BI-FOLDING FEATURES

Designed for the smallest bathroom with space constraints, this series gives you the widest opening entering space if it is compared with other series.

ART 138 CORNER ENTRY SERIES

CORNER ENTRY FEATURES

Limited space does not constraint pattern and design of the shower enclosure. The corner entry series fits into the smallest available space as it is structured with an fixed one/ two sliding panels on each side for your easy access into the shower area.

THE BEST CHOICE FOR HOME DESIGN

Interior design and interior decorating are frequently confused for being the same thing, but the terms are not completely interchangeable.

THE LATEST & MODERN DESIGN

MODERN DESIGN

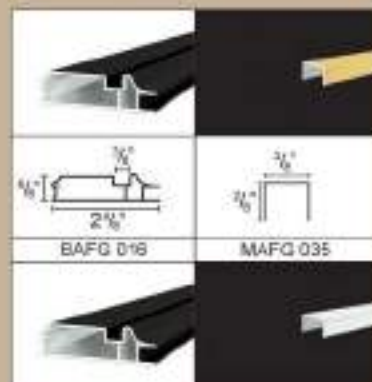

refers to a distinct time period; Contemporary is Ever-Evolving. Modern design is designated time period, from the early to mid-20th century.

Basin Cabinet Features

BASIN CABINET DRAWER SYSTEM

A drawer is part of a basin cabinet that is shaped like box and is designed for putting things in. You pull it towards you to open it.

EUROPE BASIN CABINET DRAWER SYSTEM

Europe style cabinet drawer are modular, frameless and use hidden hinges to maximize storage space in your kitchen.

SOFT CLOSE DRAWER TRACK

Soft close is a premium feature that available on certain types of drawer slides. It allows drawers to close silently and smoothly. When you close a drawer or cabinet with this feature, just before it's completely shut, the soft close mechanism takes over and closes the drawer or cabinet the rest of the way.

■ Silence

■ Smooth

■ Convenient

■ Lightweight
